

INDIAN PRIDE

Welcome to Clearwater High School--the home of the Fighting Indians. We are a comprehensive high school with membership in the Kansas State High School Activities Association and the Ark Valley Chisholm Trail League. We hope to provide you with a favorable environment in which to prepare for the vocation of your choice. Becoming a positive member of our student body and making a real effort to get the maximum benefit from the time spent at C.H.S. is extremely important. Remember that the teachers, counselors, and administrators are here to help you achieve your goals. In time of need, seek their counsel and leadership.

CALENDAR

A master calendar of scheduled events will be maintained by the activities director and the principal. Groups and organizations wishing to reserve a particular date must have that event scheduled and approved at least two weeks in advance before being added to the calendar. The date and event will then appear as a coming event on the weekly announcements.

ACTIVITY FINANCE

Each high school class and other school organizations shall deposit their finances in the high school activity fund. Deposits shall be made in the office to either secretary. The treasurer or sponsor making the deposit will receive a receipt for the amount. All class and organization bills will be paid by check after a purchase order has been written authorizing the payment of the bill. The principal must sign the request for a purchase order. No student purchases are to be made without the permission of the sponsors and the principal. Sponsors are requested to see that bills are paid regularly.

ACTIVITY ADMISSION

The admission charge to varsity athletic events will be \$5.00 for adults and \$3.00 for students in grades 1 through 12. All Clearwater students will be admitted to home contests without charge if they present their Clearwater Student identification card to the ticket taker. This will apply to all home contests except postseason KSHSAA regional and substate events. An adult's activity ticket may be purchased for \$35.00 **Students Riding Activity Bus:** Students riding activity buses will be charged \$2.00 each for athletic events, but they must pay as a group. Cheerleaders in uniform will be admitted free.

ALCOHOLIC BEVERAGES

Students will not be permitted to attend school or any school function while possessing or being under the influence of drugs or alcohol. The first violation will be an automatic 5 day suspension from school. Further violation could mean another 5 day suspension from school and a possible expulsion.

STUDENT AUTOMOBILES

Students driving cars to school must park them in either the parking lot west of the school or the main parking lot south of the school. Students are to park their vehicles within the marked parking stalls. Students should not park during school hours in specified areas reserved for faculty and visitors. Students are not to be in or about their cars during school hours. If it is necessary for a

student to go to the car or use the car during school hours, **permission must be secured from the office.** Parking lot speed is 15 miles per hour. Penalties will be assessed to violators. Continued disregard for parking lot rules and regulations by a student may lead to loss of parking privileges on school property. Student automobiles parked on school property may be searched if there is evidence that they contain items that are against school regulations, state law or federal law.

SCHOOL LUNCH CARD POLICY

1. All students will be issued a lunch card at the beginning of the school year.
2. Students may charge lunches and ala carte items until their account reaches a balance of negative \$8.00. No further charges will be allowed after this until money has been added to the account.
3. Lunch cards that have been lost, stolen, or misused, will be replaced three times at no charge. When the third replacement card has been issued, a notice will be mailed to the student's residence explaining to parents or guardians that the next card(s) issued will be at a cost of \$5.00 per card.

VENDING MACHINES

All vending machines will be located in the commons area except one sport drink machine which is located in Hall D outside the locker rooms. Bringing change is the student's responsibility. Change will not be made through the office. Students are not to put drinks or cans of pop in their locker. No food or drink will be allowed in the auditorium or gymnasiums. If a student violates the above rules, he/she will be assigned a detention. Drink machines CAN NOT be used during breakfast or lunch.

ATTENDANCE

School is serious business. Board of Education Policy in USD 264 states that for a student to receive credit in a semester class after he/she has been absent more than five times, he/she must make up one hour in Saturday School, detention, or tutoring for every occurrence after five absences, whether excused or unexcused. Exception to this policy may be made by the administration if fully documented medical or health problems or extreme hardship situations can be shown to have caused absences. Detention or Saturday School time that must be served for disciplinary reasons cannot be used to make up absence time. Excessive absenteeism may cause a student to be placed on a strict attendance contract for the remainder of the semester. Loss of school time for school activities will not be considered an absence.

Good attendance is a must for all students if they are to keep up with their daily work. Absences from school fall into two categories: excused and unexcused.

For an absence to be considered excused, it must meet the following criteria:

1. The absence is the result of student illness, death or serious illness in the immediate family, medical appointments, blocked roads due to inclement weather, parent requests, or religious commitments or observances.
2. A phone call must be received at the high school office no later than 8:00 a.m. on the day after each absence. The call is to be from the student's parent or guardian and will explain the reason for the absence. The school has voice mail, and messages can be taken 24 hours a day. Notes will not be accepted. If a phone call is not received by 8:00 a.m. on the day after the absence, the absence will be recorded as unexcused.

Students who have excused absences from class will be given a zero for each class period missed. This zero may be removed if the class work is completed within the designated time, which is the number of days absent plus one.

A student shall be in school the entire day of a scheduled event if he/she expects to participate. An administrator must clear any exception.

TARDIES

Students are expected to be to class on time. Students who are tardy to class will receive a detention. If a student is more than 15 minutes late to class for unexcused reasons, this will be recorded as an unexcused absence.

CONSEQUENCES OF UNEXCUSED ABSENCES:

UNEXCUSED ABSENCES:

Each unexcused absence will result in an automatic deduction of 2% from a student's semester grade average in each class missed, even if the work missed is made up. These deductions may be removed by making up 90 minutes in Saturday school, detention, or by arrangement with an administrator, for each unexcused absence in a class. This time must be made up by the end of the semester that the unexcused absence occurs in. If the time is not made up, the deductions will remain in place. Students under 18 years of age who have unexcused absences from school will be reported to truancy authorities as required by law.

SUSPENSIONS:

All suspensions are unexcused absences and are subject to the rules for unexcused absences given above. All class work missed during the suspension can be made up for full credit.

SKIPPING:

If a student skips school, the absence is recorded as an unexcused absence subject to the rules in the Unexcused Absences section of the handbook. The student will receive zero credit for all work missed while skipping.

DETENTION

When a student is assigned a detention, he/she will be required to sign and take a copy of the detention slip from the office. The student will have 5 school days to serve the detention from the day it was assigned. Detention time will be after school from 3:15 p.m. – 3:45 p.m. on Monday, Wednesday, and Friday, and before school from 7:00 a.m. – 7:30 a.m. on Tuesday and Thursday. Failure to serve a detention will result in the student being assigned to Saturday School. Failure to serve Saturday School will result in a suspension from school. If a student accumulates seven or more detentions within a semester, a conference will be held with the student and he or she will be placed on a detention contract. Students who have no detentions from the beginning of the first semester until Thanksgiving break, will not be required to attend school the day before Thanksgiving vacation. Students who have no detentions between Thanksgiving and spring break will not be required to attend school the day before spring break. Any student who has skipped school or been suspended will not be eligible for the "zero" detention privileges and will be required to attend school on the above mentioned days. A student who is required to attend and does not will be given a zero for any and all work assigned or due on the above mentioned days.

WEAPONS POLICY

A student shall not possess, handle, or transmit any object that can reasonably be considered a weapon on the school grounds, on a school bus/vehicle, or off the school grounds at a school activity, function, or event. This policy shall include any weapon, any item being used as a weapon or destructive device, or any facsimile of a weapon, any object which can cause physical harm, or any knife with a blade length of three inches or greater. Any student violating this policy will be suspended from school for a minimum of five (5) days.

Students are not to possess knives on school property. If a student is in possession of a knife with a blade length of less than three inches, the knife will be confiscated and a Saturday School will be assigned. Repeat offenses will result in more severe disciplinary actions.

DISCIPLINE

The faculty is hired to assist students in obtaining knowledge, which will better equip them to make a living in today's world. However, in order to provide the best learning situation for all concerned, proper discipline is a must. No teacher likes to feel that he/she has to spend the majority of time administering discipline while students who want to learn suffer from these distractions. The administration will not tolerate disrespect and constant interruption of the learning atmosphere by unruly and uninterested pupils. Students who feel they must behave in this manner will be sent to the office for disciplinary reasons and will have that hour recorded as an unexcused absence from that class on the school attendance record. The administration will not hesitate to use suspension from school when it is warranted to enhance the learning situation. Permanent expulsion will also be recommended to the Board of Education if it is warranted. If students will use "good common sense," many disciplinary situations may be avoided.

STUDENT BEHAVIOR CODE

The Board of Education, Administration, Teachers and Staff, believe that all students have a right to a safe and healthy school environment. The district, school, and community have an obligation to promote mutual respect, tolerance, and acceptance. Clearwater USD # 264 will not tolerate behavior that infringes on the safety of any student. A student shall not bully, intimidate, or harass another student through words or actions. Such behavior includes, but is not limited to: direct physical contact, such as hitting or shoving; threats; verbal assault, such as teasing, put downs, name-calling, and rude comments; negative body language; social isolation or manipulation. This behavior code will also include actions known as cyber-bullying. Cyber-bullying includes, but is not limited to: teasing, put downs, name-calling, rude comments, and threats of physical harm or isolation use the internet or text messaging. This policy applies to students on school grounds, while traveling to and from school in school provided vehicles, while waiting for the arrival of, or immediately following the departure of any school bus at designated school bus stops and at school sponsored activities whether on or off campus. Students who violate this policy are subject to disciplinary action set forth by the building administration (Refer to BOE policy JDDC approved December 4, 2007).

BUS POLICY

When a student receives his/her first written record of a bus violation, the administration may issue a warning to the student. A second written referral will result in the student facing a two-day suspension from the bus. The third referral will carry a five-day suspension from the bus. A fourth violation will result in a student losing his/her bus privilege for the school year. A serious infraction may result in an immediate suspension. The administration may modify the guidelines depending on circumstance.

BUILDING RULES AND REGULATIONS

We are all very proud of Clearwater High School, as we should be. It is the responsibility of each of us to keep our school as neat and tidy as possible. It is hoped that each person will do his/her part in keeping the building clean.

1. After arriving on the school grounds, students are not to leave, but should report to their first class. No student should be in the building after 4:00 p.m. unless requested by a teacher or participating in a supervised activity. Groups using the building after school hours must use only the section of the building reserved for them and leave all rooms and equipment in proper condition to resume school the next day. Any damage of school property may mean suspension or expulsion from school and/or replacement of damaged property.
2. Profane language will result in a detention and may lead to suspension or expulsion from school.
3. A school runs on democratic ideals and American principles and must have the utmost cooperation among students, teachers, custodians, and administration.

Students who abuse certain privileges may be responsible for other students losing their privileges.

4. It is assumed that students too ill to be in school are also too ill to go to jobs or extracurricular activities after school.
5. Boy and girl relationships must be such as is proper in public. The display of affection will be limited to the holding of hands. Parents will be contacted if students cannot maintain proper relationships. Repeated violations may result in a suspension.
6. Students must check out through the office before leaving school during the day; otherwise, an unexcused absence may result and disciplinary action taken. If a student becomes ill, he/she is to report to the office to see the nurse. If the nurse determines that the student is too ill to be at school, the student's parents will be contacted and the student will be allowed to go home. Parents or guardians are required by board policy to report to the high school office before their student will be released to them.
7. Students requesting permits to leave the building (blue slips) at any time must have the slip signed by the office. Before a slip will be issued, the parent giving permission for the student to leave must notify the school. Students will not be allowed to leave the building without parent permission. Personal business should be taken care of during times when school is not in session.
8. Items are never to be thrown from the second floor hallway balcony. Students who violate this rule will face disciplinary measures ranging from detention to suspension.
9. Only those students who have a disability or injury that prevents them from using the stairways will be allowed to use the elevator. Those students must contact the office and a key will be checked out to them by the administration. Misuse of the elevator is a handbook violation.
10. Food and drinks are prohibited in the gymnasiums and the auditorium.
11. Students are not to be in the auditorium unless supervised by a teacher or a sponsor.
12. Food, drink, dishes, cups and silverware are not to be taken out of the commons area during breakfast and lunch.
13. Games such as hacky sack will not be allowed in the hallways.
14. Loitering is not permitted in unsupervised areas and restrooms.

VISITORS

Student visitors often disrupt normal classroom activity; and because of this, any visitors must be approved in the following manner. The Clearwater student being visited must secure permission from each of his/her teachers and the high school administration to allow a visitor to accompany the student to his/her classes. USD #264 and Clearwater High School discourages student visitors the week before and the week after spring break as well as the week prior to the last day of school in December and May.

SCHEDULE CHANGES

It is very important that students carefully choose classes at pre-enrollment to minimize the necessity of schedule changes. Schedule changes may be made in the Guidance Office through the fifth day of each semester. Dropping a

class during this time may require written parent consent and an explanation of why the change is being requested. Changes will not be allowed that adversely affect class size. No schedule changes will be allowed after 3:05 p.m. on the fifth day of the semester. Changes after the fifth day of the semester will be made only by the High School Principal.

CLASSIFICATION OF STUDENTS

Units required for classification are as follows:

Sophomore, at least 2 1/2 credits

Junior, at least 10 1/2 credits

Senior, at least 18 1/2 credits

There will be no mid-semester promotions to the next higher-class rank.

Note: Juniors will be allowed to attend the Prom only if they have at least 10 1/2 credits the beginning of their junior year. Seniors who are to be included on the graduating list must be within four and one-quarter (4 1/4) units of completing graduation requirements at the end of the first semester of the senior year. Students who do not meet the requirement will no longer be considered seniors as far as graduation activities are concerned.

CLASSROOM PARTIES, ALL-SCHOOL FUNCTIONS, AND PICNICS

No class will have a party during school time without administrative approval. School-sponsored functions are limited to members of each organization and their dates, all students and their dates, and staff members. Social functions will be permitted under the following conditions:

1. All dances are open only to Clearwater High School students unless prior approval has been given by the activities director or principal. No Middle School students will be permitted to attend any school dances.
2. Students will not be allowed into dances one hour after the announced starting time. Special arrangements may be made for late entrance.
3. No one will be allowed to leave the building and return.
4. No class parties or picnics will be permitted during the final two weeks of the school year without administrative approval.

SCHOOL CLOSING

In the event of inclement weather or mechanical breakdown, the school may be closed or starting time delayed. The same conditions may also necessitate early dismissal. Reports in the morning will be broadcast between 6:00 and 7:30 a.m. on KFDI-AM (1070) on the radio. If no report is heard, it can be assumed that school will be in session. Please do not call the school. Telephone lines must be kept open for emergencies.

DRESS CODE

We expect the students and the student body to be dressed appropriately, whatever the occasion. A student will do his or her utmost to present an acceptable appearance by being neat and clean. Extremes in attire or attention getters will not be tolerated. Since some people do not realize what is acceptable appearance, we must rule that anyone whose appearance is disruptive and not in good taste will be asked to make the necessary adjustments. Interpretation will be the responsibility of the principal, and his/her rulings will be final. This rule applies to all student activities under the direction of the school. Those students participating in extracurricular activities will be expected to conform to additional requirements as suggested by the sponsoring staff member and approved by the building principal. Students will not be allowed to wear clothes advertising alcohol and tobacco products. Bare midriff garments, strapless garments, garments with straps less than one inch wide, pajama bottoms, house shoes and cotton type warm-up sweat pants will not be considered proper attire. Students will be expected to use good judgment by not wearing mesh shirts, underwear as an outer garment, sagging pants, open-sided shirts without sleeves and undershirt types of tank tops.

STUDENT INSURANCE

Student insurance is available to be purchased by all students. Students may pick up the insurance forms at the beginning of the school year during enrollment and mail payment directly to the company. Coverage for football players is not included under this policy; insurance for football is sold separately.

TELEPHONE USE, PAGERS, CELL PHONES AND MUSIC DEVICES

Students will not be allowed to have cellular telephones, pagers or music devices (ex. Ipods) on their person or in use while at school. If brought on campus, students must store these items within their locker between the hours of 7:30 a.m. and 3:05 p.m. If violated, the student will be given a detention. Repeat violations will necessitate a Saturday school and or suspension. Students are allowed to use the office phone if a required call must be made during school hours.

BACKPACKS

Due to Kansas fire regulations, backpacks will not be allowed within the classrooms. All student backpacks must be stored within their locker during the hours of 7:30 a.m. to 3:05 p.m. Ample enough time will be given to students during passing periods to go to their locker as needed.

SCHOOL-SPONSORED ACTIVITIES AND STUDENT BEHAVIOR

School activities are an extension of the school day. Students, when in attendance at any athletic contest, dance, school programs or other activity sponsored by the school, will be required to obey all rules and regulations

which govern the regular school day. Students may be denied admission or requested to leave an activity if their behavior becomes a problem.

LOCKERS

Each student is assigned a locker for the storage of books and equipment. It is the student's responsibility to have a lock on his/her locker at all times. A school issued lock will be provided for all lockers. If the student loses this lock, he/she will be billed for the replacement cost of the lock. **Students should not leave money in lockers.** The BOE reserves the right to search any school locker at any time if the principal of the building (or in his/her absence any district administrator) deems it necessary. Should the principal deem it necessary to search a locker, he/she shall have an adult witness present.

The BOE has given their approval for a canine unit to be brought to the school for purpose of searching for drugs, narcotics, and other illegal items.

INCOMPLETE GRADES

Incomplete grades will not be allowed except in situations caused by health related absences. Any such incomplete grades will need to be removed within one week after the close of the nine-week grading period. (Exceptions must be approved by the administration.) If the material is not completed, the incomplete grade will be changed to an "F" on the school records.

X-L (Seminar)

This course is designed to assist students in developing skills in the area of study habits, time management, and personal responsibility. They will also have the opportunity to make up work missed due to absence and to receive extra help in those classes in which they have special needs. Continual

support and encouragement by the teacher and possible peer modeling and tutoring are vital components of this course. **One-fourth credit per semester.**

X-L Grading Policies and Procedures

Students will receive a citizenship grade for X-L, expressed in a % format. Grades will be based on the student's appropriate use of seminar time and adherence to the X-L rules. This grade is being assigned to communicate more effectively with parents and support personnel about the student's progress. The % will appear on the student's grade card and will affect his/her GPA.

USD 264 GRIEVANCE PROCEDURES

A grievance is a complaint by a student or group of students based on an alleged violation, misinterpretation, or misapplication by the school system of a law, a state regulation having the effect of law, a written contract, board policy, or administrative regulation. The term "student" may include a group of students who are similarly affected by a grievance.

General Rules:

- A. It is the policy of the board to assure every student the opportunity to have the unobstructed use of this grievance procedure.
- B. The purpose of these proceedings is to secure, at the lowest possible level, just and fair settlement of grievances by students.
- C. Since the resolving of grievances should be expedited as much as possible, the time limits at each level shall be regarded as maximum number of days. Time limits, however, may be extended by mutual agreement when circumstances justify doing so.

- D. At any level of this procedure, either party may have another employee of the board of education accompany him/her and serve as representative.
- E. All documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the files of any of the participants.

Level One. In the event that a student believes there is a basis for a grievance, he/she shall first discuss the complaint on an informal basis with his/her principal.

Level Two. Within five (5) working days after receipt of the written grievance, the superintendent will meet with the aggrieved person and his/her representative. This copy must be filed within ten (10) days of the level two conference. The board, no later than its next regular meeting or two (2) calendar weeks, whichever shall be later, shall hold a hearing on the grievance.
